

Attention Hudson Residents & Businesses

DO NOT dispose of thermostats, thermometers or fluorescent lighting. These products contain mercury, which is harmful if not properly managed.

MERCURY PRODUCTS COLLECTION

Items to be collected include fluorescent & HID bulbs, thermostats, thermometers & other mercury-containing devices

Note: Businesses are limited to 36 bulb maximum. For quantities greater than 36, please call Dan Harty, Covanta's Mercury Coordinator at 978-241-3002 for special 50% reimbursement program

Hudson Highway Department 2 Constitution Drive

Hudson Highway Dept now accepts fluorescent bulbs for recycle. Bulbs must be properly packaged, have name, date, and count on packaging (36 bulb/month maximum)
